Dear Mr. Anand

**Re: Outcome of Renewal of Registration Application—Granted**

I refer to your application to renew your registration as a national VET regulator (NVR) registered training organisation (RTO).

In accordance with the provisions of the *National Vocational Education and Training Regulator Act 2011* (NVR Act), your application for registration has been granted. The National Register has been updated to include the following key details of your organisation:

**Period of registration**

Your organisation has been granted registration for a period of seven years which commences on 18 June 2019 and is due to expire on 17 June 2026. Your organisation's Certificate of Registration is attached.

If the training and assessment provided is likely to lead to students applying for a licence/recognition to operate in a relevant industry, you will need to ensure that you meet the requirements of the relevant national or state/territory regulator/s. Organisations that ASQA has formal arrangements with that may have additional requirements to be met beyond registration with ASQA before training and assessment will be recognised for industry licensing, registration or other approval can be found in the [External licensing & additional registration requirements spreadsheet](#) on the ASQA website. Please contact the relevant regulator/s to ensure you have satisfied regulatory requirements before delivery and ensure that marketing materials are accurate.

### **Changes to scope of registration**

- the Financial Viability Risk Assessment Requirements of the Act
- the Data Provision Requirements of the Act.

This is an important commitment that requires you to actively manage and monitor your RTO's activities to ensure that compliance is maintained at all times and across all of your operations. RTO compliance is the mandated foundation upon which organisations should plan and achieve quality improvements to their training and assessment services.

**Maximum Number of Students**

ASQA has considered the capacity of your organisation in terms of its premises, approved arrangements with other providers, facilities, resources, equipment, materials and the ratio of staff to student numbers.

The maximum capacity approved by ASQA remains as 640 overseas students.
