

To be considered for a financial hardship waiver, the student needs to complete this application and provide appropriate documentation of proof of income. It will be compared to Everest Institute's [Fees and Charges](#) and [Department of Home Affairs](#) Student Visa Condition requirements. Denials of this financial hardship waiver will be in writing. Please be advised, Non-payment of tuition fees is a breach of Student Visa Condition 8516, which may lead to cancellation of your enrolment and may lead to cancellation of your student visa.

**Continued Eligibility: If an extension is granted, it will automatically expire after a period of 30 calendar days.**

Periodically, you may be required to re-certify your financial status. If any of the information that you have provided proves to be untrue, we will promptly re-evaluate your financial status and act necessary to collect on your account. If granted, a waiver may be immediately revoked by the Institution, without advance notice, for any reason.

*Please complete the following form, and submit all necessary supporting documentation to Everest Institute. All information relating to this application are kept completely confidential and will only be used to determine eligibility.*
